PRESIDENT'S LETTER

Helloooooo (as Ms. Margaret would say)

Well, spring is in the air. The sun is out and the warm weather is here. I have taken a workshop in January and one in February and have started the prestitching for our guild project. Not that I didn't have enough to stitch before but anyway. We all know how it goes.

I hope that everyone enjoyed our new meeting space last month. It was sunny, clean and no moving of furniture was required. Hallelujah! Just remember for the time being, enter via the front door and get stickered. The Museum wants to get a number of attendees for the first few months. Also note that our meeting time is now from 10 am to 2 pm.

Our program for the next two months will be "A Little Bit of Happiness" led by Jean Callas. Everyone that wants to do the project should have the pattern. We had quite a time getting it out to members but we did it and learned a few things along the way. It will be exciting to see what everyone has chosen for their colors.

Another reminder -- our sister guild is having a yard sale on Friday and Saturday, March 6 and 7 at Linda Kanora's house. The hours are 7 am to 2 pm. There are many wonderful stitching projects, fabric, canvas, threads and tools available for purchase as

well as house ware items. One never knows what you will find. As Linda often tells people "Come early and shop often."

I spoke with Margaret Von Kuegelgen on Saturday. She is well and is starting to branch out in the Denver area. She will be moving into her condo soon. She says it is small but has a gorgeous view of the mountains. She has found a scrapbook group and this month plans to check out the ANG guild(s) this month. I hope to visit her this summer and will expect a tour of the "important" stores.

Stitch, stitch, stitch and join us this month at the meeting.

Charleane
