## July 2015

### President's Letter

Well hello to everyone! It is truly monsoon season, rainy and humid, otherwise just plain hot. We had a wonderful stitch in today at The West. The tables were full and lots of chatter. I would like to thank Mary Christoph for bits of education on Minions. Word to the wise – don't ask Mary if she likes Minions. You might get overwhelmed with exuberance. But it was a fun and productive day for most of us stitching.

One of the things I have seen while I have been at several stitching events is our members who are working on their summer challenges. I am impressed with what I have seen and know there are many that I have not seen. November seems so far away and too long to wait but I guess I will just have to wait patiently for the reveals at our November combined meeting.

October is in the near future. October means Hi Ho Stitchaway for me. Please print the out the form and fill it out. You may send your checks to Linda at her current address which is listed on the form. I will let you know in August where to send your checks at that time since Linda has sold her house and will be moving but we know not where at this point. Please make sure we know of your sleeping choices i.e. Inn or Hacienda, Inn first floor only, or anywhere. Also if you have a roommate and, if not, Linda and I will match you up with another stitcher without a roommate.

Jan Morgan and Pat Nelson are working on this year's programs and will let us know what they have chosen at our August meeting. Of course, we all know these plans are subject to change but we usually have a couple extras in the wings to substitute for a program that cannot be presented. If you have any programs you would like to see presented (if possible), please let Jan Morgan or Pat Nelson know so they can check it out.

Well, that is all for now. I need to get some rest because tomorrow (Sunday) I think I will be able to spend some time stitching. Keep on stitching on those summer challenges!

Charleane
