PROGRAMS 2014-2015

Pat Nelson and Ginny Smith

PROGRAM HELP NEEDED

Anyone interested in helping with a program about finishing ornaments, please contact me, Pat Nelson. Several members have requested help in this area and I would love to put a program together for them in July. I am especially interested in someone who can demonstrate how to make twisted braids for the edges. Thank

you so much in advance.

March: Little Bit of Happiness – Part 2 by Jean Callis

Hope everyone had enjoyed stitching this project so far. This month Jean will lead us through the final instructions to complete our projects. Can't wait to see how they look in the colors everyone has chosen.

April: Seaside Reflections by Jan Morgan – Explore how to attach shells and other objects to canvas forming a pleasing seascape which can be used as a box top or small framed piece. Or, just stich along with us on a doodle canvas.

Supply list: white or sand-colored canvas, approximately 5 by 5 inches on stretcher bars, matching perle 12 or perle 8 and your usual sewing supplies. You will be supplied with shells, sequins, mirrors, and ideas.

May: Documenting Your Projects

June: Backgrounds

FALL BUS TRIP

Due to the high interest expressed in a bus trip to the Heard Museum and a bit of needlepoint shopping, we are planning a trip this Fall. More information will follow as the plan develops.
