# President's Letter

Judy Burgess

Hello, Tucson stitchers:

It is 10:02 p.m. I am all packed, the car is loaded, and my kitchen is empty. All is in the auto. My youngest son, Alexander, is the manager for a professional women's mountain bike racing team. I met the young women when I went to northern California in early March to cook for their training camp and they are a delightful, dedicated group of athletes. I thought I would like to go and cheer for them at some of their races, so I chose Park City, Utah, next weekend, and the U.S. National races in Sonoma, CA the following weekend.

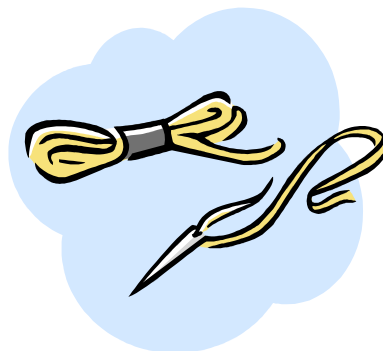

My middle son, Timothy, is also a cyclist. He will road race (not mountain bike) in Sonoma, and help Alex with the team chores. It will be such fun to be with my away sons and participate in their interests. I'm thinking that I could get lots of needlework done while watching bikes fly by!

Alex thought it would be great if I cooked three meals a day (snacks for the racers and hearty, healthy (low fat, high carb, lots of antioxidants and anti-inflammatory foods), for all meals on the race days!!!! So I've packed up my favorite knives, pots, and kitchen tools to cook in strange kitchens with who knows what kind of facilities. I have also packed five kinds of rice, multiple assortments of pastas, sauces, condiments and spices from my larder.

But I am hoping to get work done on the ort box, so that I will be ready to take advantage on Barbara Richardson's tuition on finishing the ort box projects. I guess Barb must be bored since most of her work is done for seminar, so she is willing to teach us in July!

Hope to see you all at the July 26th or 27th meetings with ort boxes in hand. Thank you, Barbara Richardson!

Judy Burgess

Kudos goes to Charlotte Komar for getting everyone started with planning their angels at the June meeting. If you missed the June meeting, you can still start this ongoing project. We're using the March 2006 Needle Pointers pgs 22-25.

Remember to bring your Ort boxes to the July meeting so that Barbara Richardson can assist us with finishing them. You will need to bring Pearle Cotton #8 or floss for finishing.

# Seminar 2006

## “A Desert Tapestry” Seminar Update for July 2006

Seminar is fast approaching, enrollment continues until July 25 after which we will have the final numbers to work with for any additional items that may be needed. All in all we are ready for this event: daily drawing prizes are wrapped and sorted; teachers' nametags are finished; ribbon centers have been finished; and the favors for Opening & Closing Banquets and Life Patron Luncheon are done and packaged.

Monday August 14 is the final workshop and members have already signed up to help with the filling of the teachers' goody bags and putting the centerpieces together.

The month of August will be a busy time for Sharon Skoczek (she will be receiving the Exhibit pieces) and myself (receiving the teachers' kits, auction and opportunity basket items). On Wednesday September 6, trucks will be picking up all these items and transferring the boxes to the resort, with work beginning on Thursday September 7.

If you have not already done so, please let Sharon Skoczek (Exhibit), Angela Yardy (Hospitality and Opportunity Basket Sales) or Honey Montrose (Auction) know the times you will be available to help in these areas.

Would you please contact me if you will be attending the Welcoming Banquet on Sunday September 10th. I would like to get tables together for those that have helped in making items for the Seminar, so that I can recognize your efforts.

Thank you to all for working so well together over these past couple of years getting all things done in such a timely manner. It has been my pleasure to work with everyone and get to know all of you better.

As Always in Stitches and Friendship,  
*Barbara A. Richardson*
