President's Letter

Dear Fellow Stitchers,

First of all, many thanks to Barbara Lewis for hosting the Marnie Ritter workshops and Becky Lynn for hosting Marnie Ritter! We were able to come in under budget with the Pfeiffer Family Foundation Fund. (see report in this newsletter)

We had a very productive Board Meeting on the 9th. With the guidance and help of our Vice President, Jan Morgan, we set up a tentative schedule of wonderful diverse programs for the coming year ! More will be explained and shown at the June meeting. (A list will be posted on the website)

We are also thinking about areas for community outreach including an exhibit, presentations of needlework to local organizations, teaching classes, or a community project. Whichever activity or activities we choose to do will take time away from our stitching so please think hard about which one you would be interested in. We will discuss the possibilities at the next meeting.

And last but not least, Thank you for electing me president! I am looking forward to this coming year and know it will be fun and productive.

My sincere thanks to those of you who volunteered to be on the board.

Happy Stitching,
Margaret

DIRECTOR AT LARGE

For those wonderful members that won Opportunity Baskets at the May combined meeting – if you have items you do not wish to keep, please bring them to the June meeting. They will be put out and the members can pick the items they want and give a donation to the guild.

For all other members who are cleaning up or reorganizing their stitching room or stash closet, bring those unwanted items and pass them on the Nancy Eide at the day meeting or Charleane Boyes at the night meeting,

You will clean up your stash and help the guild by helping us create wonderful Opportunity Basket at the next combined meeting.

JUNE:

Favorite Stitching Tool or Needlepoint Book

Stitchers, bring your favorite stitching tool to demonstrate or a favorite book about needlepoint that inspires you. Share with why we absolutely must have this tool or book! Please also write down whatever information you can about your tool (manufacturer, where purchased) or your book (author, title, publisher). We will collect this information and publish it for everyone's use.

On display at the meeting will be stitched samples of the programs for the coming year.

Hope to see you there.

WORKSHOPS

Barbara Lewis

We extend a special *Thank You* to Pepper and Jim Pfeiffer as we had our first workshop using the money from their foundation.

We had two wonderful classes with Marnie Ritter. As usual, they were great. Thirteen took part in the two day and one day classes.

The classes were held at my home. It was a little tight but friendly. I thank everyone for bringing snacks, etc. And a very special *Thank You* to Becky and Ed Lynn for hosting Marnie. That made my life much easier. Marnie generously gave us a discount so we were able to bring her here for the amount of the foundation money.

Now, a brief break but we have Janet Mitchell Fischel coming to us in March 2012. You will be able to see the piece at the meeting this month.

HOSPITALITY
