President's Letter Margaret von Kuegelgen

Dear Fellow Stitchers!

OK so it is hot! It will continue to be hot for months! It is time to find a nice cool place and drag out all the unfinished projects to work on. Don't forget to get up and move around every hour or so that your joints don't seize up (a problem that I am having lately).

It looks like Charleane and Linda have really worked hard to make the opportunity baskets special for our Combined Meeting on May 28 at the Pima County Medical Center. The doors will be open at 5:30 pm (help will

be needed in setting up the buffet tables and the opportunity baskets). We will start eating at 6 or 6:15 and will follow with a very short business meeting, election of officers, and then find out who won all the goodies!

Please plan on attending. If you don't like to drive after dark or need transportation, please let me know. We will rally to troops and find someone to bring you home and take you home again.

See you on the 28th!
Margaret

PROGRAMS

Submitted by Mary Christoph, Barbara Ewbank, Mary Williamson

Over the next several months our programs are going to build on topics we have covered this year as well as teach some new skills. At the April and May meetings we will have a picture of the project for June, July, and August from the ANG Project Book so you can see what we will be working. It is called Tiffany Window by Dorothy Leshner. There will be sign-up sheets at these two meetings for this project. Please be sure to sign up!!! We need to know how many copies of the instructions to prepare. Due to ANG national policy, if you do not attend either the June, July, or August meetings, you CANNOT receive these instructions for this project. We will start handing out the instructions at the June meeting. Please call Mary Christoph if you have questions. Her number is 321-9170.

May – We will have the combined meeting with the election of Officers and our Annual Show N Share drawings. Please bring your projects to share. Be sure to complete a ticket for either your ANG or Non-ANG projects to be in the Drawings for prizes.

If you have not signed up yet for the ANG Project Book project and want to stitch it, please sign up at the combined meeting.

June – This month we are going to learn how to transfer a design onto canvas. Barbara Ewbank has designed two original pieces from which we can choose one. One design is of balloons and other one is butterflies. Both designs would be perfect to stitch for grandchildren. We will be transferring these designs onto canvas. A light box will be available. The butterfly design is 5 1/8" x 5". The balloon design is 9" x 11" and drawn on 8 1/2" x 11" piece of paper so you can allow for stitching a background. Please bring the appropriate sized canvas to the meeting. You can choose your own color of canvas and threads. So start to think about colors and stitches you want to use for these projects. Maybe something Linda Kanora shared about color will help you or a design idea from Deborah Fornay. Or Nue for balloons perhaps? Bring your stitch books and let's explore ideas together.

If you are stitching the ANG Project Book project, you will be able to receive you instructions starting this month. You will need to transfer the project design to a 15" wide and 12" high piece of 18 count white canvas before the July meeting.

July and August – ANG Project Book Tiffany Window by Dorothy Leshner. This project will utilize the following techniques: tracing a design onto canvas. Padding with stitches, couching with twisted cord and couching with pattern stitches. Supplies will be listed in the June newsletter. You can stitch this project using Needlepoint, Inc. silk or either Anchor or DMC floss.

If you have an idea for a program you would like to suggest, please contact one of the Vice Presidents. We would love to hear from you.

WORKSHOPS

Barbara Lewis

Susan Goodman of Colorado will teach a workshop for us on October 24 – 25. We will be taking a photograph (of her choosing), transferring it to congress cloth and then stitching it. Kit fee is \$50. Her lecture on Friday night, October 23 should be very interesting. She will show us how taking a photograph can help with the design and also how a photo can be used as an inspiration for needlework.

February 5, 6, and 8, 2010, we will have Deborah Fornay again. This time Deborah will teach her Paisley Passion. It is shown as a purse but could be a wall hanging or a pillow. There are five color choices: fuchsia, black, lime green, navy blue, and orange. Kit fee is \$125.

I will go into more details in future newsletters. Remember what I said, "Throw a \$20 bill in your sock drawer once a month and you will have the money for both workshops!!" I am now taking sign-ups!

Editor's Note: I was unable to put the pictures that Barbara provided in this issue.
