President's Letter

Margaret von Kuegelgen

Hello Fellow Stitchers,

My how time flies when you are having fun! Last night we had the last board meeting for the current board and my last meeting as President. It hardly seems like two years.

Most exciting news is that we have received a very generous gift from Jim and Pepper Pfeiffer. I will explain more about it at the meeting.

Be sure and come to the combined meeting at the Pima Medical Society Building on May 27th at 6pm. You know “the day meeting day at the night meeting time at the day meeting place”. It will really be a lot of fun! We will be electing and installing the new officers, awarding gift certificates for the most projects done and ANG projects. We will also have a magnificence of opportunity baskets.

Many, many thanks to everyone who has made my term in office easy and rewarding. I have really enjoyed it and now will be able to stitch at the meetings.

Have fun stitching,
Margaret

FROM THE DIRECTORS AT LARGE CHARLEANE BOYLES AND LINDA KANORA

Thank you to all of you who have graciously donated to the Ways and Means Committee the past two years. Linda and I have been able to produce some amazing opportunity baskets as well as make donations that have benefited those in less fortunate positions.

Those of you who are able to come to the May combined meeting, come with some dollars. We have 20 opportunity baskets all with different themes. We also have 4 silent auction items and some freebies that are for the taking.

Thanks again from Linda Kanora and Charleane Boyles, your Ways and Means Committee for the past two years

PROGRAMS

Submitted by Mary Christoph, Barbara Ewbank & Mary Williams.

May 27, 2010 Combined Meeting at Pima County Medical Society, 5:30pm. Potluck Dinner with Election of Officers. Bring your completed projects, both ANG and Non-ANG, for Show N' Share.

June 17, 2010 The June program will be “Workshops Revisited”. We have all taken a number of workshops over the past several years. Some of these workshops have been taught by Betty Chen Louis, Tony Minieri, Deborah Forney, Caela Conn Tyler, Linda Reinmiller, Susan Goodman and Carol Lake. Bring your unfinished project or

projects and spend some time working on them. This will give us an opportunity to have some time set aside for stitching and for working toward finishing a project. If you have finished all your workshop pieces, or haven't taken a workshop, bring a piece on which you are working or one you want to begin to stitch on during the program time. It will be encouraging to see the progress we have made on the pieces we have begun

If you have an idea for future programs, please contact any of the Vice Presidents. Is there a technique you like to see taught at a meeting? Let us know. We love to hear from you and want to present programs that are of interest to all our membership. Do you have a project you would like to share at a meeting? Don't be shy, share your talents with the group!

WORKSHOPS

Barbara Lewis

We are very lucky.....Betty Chen Louis doesn't travel anymore, however, since she "likes us", and is coming for a two-day workshop March 19 and 20, 2011. Mark those days on your calendar. The piece she will be teaching is called **Cyclamens**. It has an oriental feel. Betty has one concern. This piece is done on Congress cloth and we will be doing soft shading. She wants everyone to know that we will be treating the congress cloth as fabric, meaning that we will be piercing the threads. I will have a photo for you in the next newsletter.

For Sale

Kay Kopp has a solid oak floor stand that was built by her son-in-law. \$70
Contact her for further information.

Editors note: She sent me a photo but I was unable to get into the newsletter. The stand is similar in looks to a Gripit.
